

Half Yearly Report NSWVGA Representatives.

Overview.

The problems encountered this year have been well documented. Their effect on Veterans golf , in the main has varied depending on the area you look at .Overall the effect on club golf has been minimal with most vets club's continuing to play but Weeks of Golf and Open Days have been either cancelled or deferred.

The Role of the Group 14 Representative.

The group 14 Representatives attend on average seven board meetings each year and their main priority is to represent this group .

All clubs have a avenue through the Group Secretary to have any matter they wish , represented at board level.

Our other duties involve Board activities such as programming, match committee , sponsorship and the web site. As the President of NSWVGA insists you don't come to these meetings to warm a seat.

The New Website.

NSWVGA is at present putting the finishing touches to the new web site. There will be two parts, the public site and the management site.

The public site has gone live and can be accessed via nswvga-admin.com.au .

Work is progressing on the management site which will be accessed by all VGA secretaries and tournament directors.

This undertaking was done with the assistance of Golf NSW and MyClub.

Weeks of Golf.

All weeks of golf have been suspended until September. This is a blow to some clubs who rely on revenue from this week to support their Vets for the year.

There are two things that need to happen before our weeks of golf can resume :

1 Clubs need to reopen.

2 The restriction on one person per cart needs to be lifted. There is no way most clubs would have enough cars to conduct the week successfully.

There have been approaches to reschedule some weeks later in the year. If we get the go ahead then this will be looked at.

Championships

Expressions of Interest were sought from clubs interested in holding Championship events over the next three years commencing in 2021.

The events and the successful clubs are listed below:

1 NSWVGA Stroke Play	Dubbo	First week in November
2 NSWVGA Match Play	Nelson Bay	First week in December
3 NSWVGA Mixed Fourball	Wagga Wagga	March
4 NSWVGA Sand Green Mixed Fourball	Grenfell	Late April
5 NSWVGA Sand Green Foursomes	Narromine	September
6 NSWVGA Sand Green Stroke Play	Coolamon	October

The above event will be part of Golf NSW NSW Sand Green Open Championships.

The exact dates will be finalised by the end of June and will be included in the 2021 program.

John Daley and Peter Taylor
Group 14 Board Representatives.
